## THE SEAL, TRUMPET AND BOWL JUDGMENTS OF THE BOOK OF REVELATION

Under the **seal judgments** the world is ruined by man. Events recorded under the seals are extensions of things that are very evident in today's world. The chief difference is that the church will be gone, and to a great extent, restraint will be removed. The evil seeds men have sown will come to flower and fruit.

Under the **trumpet judgments** the world is ruled by Satan. A vast and new dimension of the supernatural is introduced. Satan is cast down to earth; the planet is invaded by hordes of evil spirits; Satan's plans for this earth are matured.

Under the **bowl judgments** the world is rescued by God. The wrath of God is revealed from heaven. Satan's empire is dealt blow after blow by God Himself, until at last the Lord, accompanied by His saints, returns from glory to put an end to this world's woes.
